

Leaflet and Poster Display

...Be Seen in All The Right Places

Affordable and Flexible

Leaflet distribution and display typically costs just over £1 per outlet serviced. We tailor your campaign to your needs.

Buy an entry in the bedroom folder(s) covering the same areas for even more impact. See page 4.

Best Outlets

Distribution sites include: all sizes and types of visitor accommodation; all local VisitScotland VICs; visitor attractions; selected shops, shopping malls, theatres, bars and restaurants; principal car hire companies; Fringe & Festival offices; Park & Ride; airport taxis; main rail, bus and ferry terminals including Zeebrugge, Rosyth and onboard the new European ferry service.

Locals are Visitors too

The local residential market is essential to every visitor attraction. That's why we have outlets that target locals.

Nationwide Distribution

We can provide any level of display throughout Scotland and the North of England.

NEW New Poster Display Service

Poster display gives maximum visibility and increases the pick up rate of your leaflet. In 2009 this new service - available at many of our busiest outlets in Edinburgh and the Highlands - sold out almost immediately.

Our advice for 2010 is book early to avoid disappointment!

A3 Poster Display £ per outlet per month	
1 month	£20
2-3 months	£18
4-6 months	£16
7-12 months	£15

* Prices are exclusive of VAT.

Working with VisitScotland

If you have a guaranteed display agreement with VisitScotland we can store your leaflets and deliver direct to VICs. We also deliver non-guaranteed leaflets on request from VICs.
