

## New Poster Display Service.... Selling out quickly

The new A3 poster display service integral to our leaflet display racks is designed to give your attraction maximum visibility and increase the pick up rate of your leaflet.

We have had a fantastic response to this new service introduced from Easter at many of our busiest outlets in Edinburgh and the Highlands.

Highland locations sold out fast - and additional outlets are being added in response to demand for the main 2009 season.

A few prime slots are still available in Edinburgh....

Poster display costs £13-£17 per slot per month

### **Cost/slot/month**
